

FSI learning Journey- Autumn | Week 1

We have been learning about our class name- Class Robin.

We made paper plate robins. We made them over several days and there were lots of steps involved.

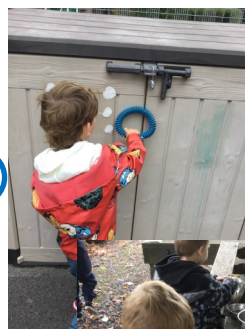

Star of the week

In music, we made music outdoors. We hit, scraped, tapped and stroked hard things against objects around the nursery playground.

FSI learning Journey- Autumn | Week 1

We have enjoyed playing in the outdoor and indoor provision this week.

We used bananas, oats and cranberries to make pine cone bird feeders to hang outside for the birds.
