

Class Whale's Learning Journey

Autumn 1 Week 6

This week we have been learning about Autumn. We went on an Autumn walk. We looked at seasonal changes in nature.

In phonics we are reviewing all of our sounds that we have learnt to date.

Our HRSW: pull

Review Week

Our maths focus this week has been learning to use the language "more than" and "fewer than" to describe objects in a set. We are also learning about length.

This week we started our "Kinetic Sand Programme" to help with fine motor skills.

Stars of the week

Class Whale's

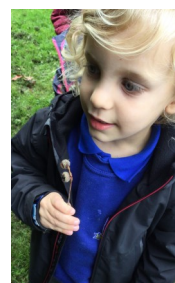

Learning Journey

We are building a farm for the animals. This is the chicken pen.

Can you see my pattern? I used all the camels.

Mrs Hudson and I painted the rocks gold, so we could hide them and then find gold in the sand box!

We are playing family. There is a mummy, a daddy and babies. You can be in our family.
