In maths, we played a game of 'I or not I'. We had to subitise (say how many we could see without counting) and say if it was I or not.

FS1 learning Journey- Autumn 2 Week 1

We wanted to make our own sparklers/wands to take home. It was quite tricky threading the tiny beads but we persevered.

We wrapped pipe cleaners around sticks to make sparklers and threw powder paint on the floor to make fireworks.

We have also been learning about Remembrance Day and why we wear poppies.

We melted chocolate and made chocolate sparklers with breadsticks, chocolate and sprinkles. We waited for them to set before eating them.
