

The Life Cycle of a Bean

Jack trades his cow for Magic Beans. The beanstalk takes him to a castle in the clouds where he meets a giant. Jack steals from the giant and makes him angry. What will happen to Jack and the beanstalk?

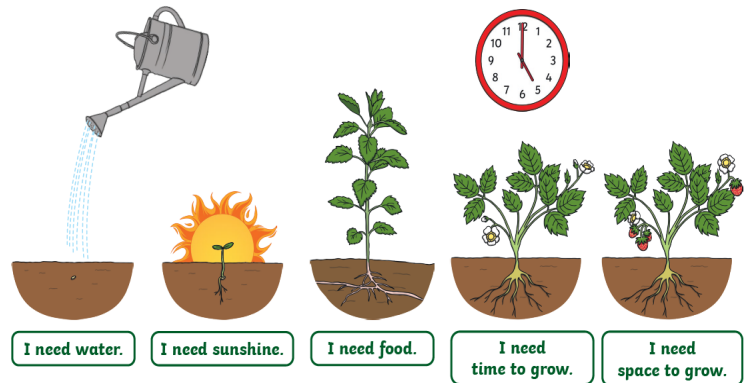

Books we will be reading:

How to plant a seed:

- Step 1: Put the soil in a pot.
- Step 2: Put a seed in the soil.
- Step 3: Put water on the soil.
- Step 4: Put the pot in the sun.
- Step 5: Keep the soil moist.
- Step 6: Look at the plant as it grows.

What Does a Plant Need to Grow?

Things to do at home:

- Plant beans at home.
- Plant sprouts in an egg shell. Decorate the egg shell.
- Role play being Jack and the giant at home. Remember to say: "Fee Fi Fo Fum" if you are the giant.
