

FS2 Knowledge Organiser– Spring

Spring word mat

"Spring is a time when everything is growing and bursting into life. Birds are singing, leaves are unfolding, butterflies are starting to be seen and mammals are beginning to wake from their winter sleep." Wildlife Watch

Books we will be reading:

Key Facts:

- Seasons: Spring is one of our 4 seasons. (Summer, Autumn, Winter and Spring)
- In Spring we celebrate Easter and Mother's Day.
- Days start to get longer in Spring.
- Many baby animals (lambs, chicks, ducks, calves, etc) are born or hatched in the Spring.
- Spring weather can be hot and sunny, or wet and rainy. You might even see a rainbow in Spring.
- In April, you will see more rain followed by more flowers in May.
- When it is Spring in the UK, it is Autumn in Australia.

Things to do at home:

- Go on a nature walk and look for Daffodils.
- Visit a farm to see lambs and chicks.
- Paint a garden in Spring.

crocuses

blossom
