|                                                                                                                                              |                                                                                                               |
|----------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------|
| <b>Autumn</b>                                                                                                                                | A season in which the weather gets cooler and it gets darker earlier. Many leaves die and fall off the trees. |
| <b>Hibernate</b>                                                                                                                             | <p>When an animal or plant sleeps through the winter.</p> <p><b>Hibernating Animals</b></p>                   |
| <b>Harvest</b>                                                                                                                               | Gathering crops.                                                                                              |
| Harvest festival, Halloween, Diwali, Bonfire Night and Remembrance Day are some of the festivals celebrated in autumn in the United Kingdom. |                                                                                                               |

## Things to do at home:

- Go on an autumnal walk. - Collect some conkers and pine cones.
- Collect some leaves and do a leaf collage or leaf rubbings.
- Try some harvest fruit and vegetables.
- Print with harvest fruit and vegetables.
- Carve or paint a pumpkin.
- Dance, jump, play and laugh in a big pile of autumn leaves.

## Pointy Hat

A little old lady with a tall pointed hat,  
Knocked on my door with a rat-a-tat-tat.

I peered through the window to see who was there,  
And off on her broomstick she flew through the air.
