People Who Help Us

Call **999**
in an
emergency.

Where do
these
people
work? E.g.
teacher =
in a school

What do
these
people
wear to
work?

Things to do at home:

- Talk about what to do in an emergency.
- Go on a walk— can you see anywhere that people might work? What jobs do they do? What do they wear to work? Do they use a special vehicle? Do they need special tools?
- Make a thank you card for someone who helps you in the community.
