

FSI Knowledge Organiser- School

You have to wear a uniform at school.

You have to wear black school shoes.

This is a book bag. You will bring this to school every day with your reading book and water bottle in.

This is called P.E kit. You need to have a special bag to keep it in.

You will hang your coat in the cloakroom on your own peg.

Things to do at home:

- Practise putting on and taking off your uniform.
- Make sure that your grown-up puts your name in your uniform.
- Make something for your new teacher.
- Practise being independent with things like toileting, holding your belongings, dressing.
