

Cup of Tea

Here's a cup,
(cup with one hand)

And here's a cup,
(cup with other hand)

And there's a pot of tea.
(scoop up one hand as if holding a pot of tea)

Pour a cup,
(pour into hand which is shaped as a cup)

And pour a cup,
(pour into space next to cupped hand)

And have a drink with me.
(put cupped hand out in front as though giving it to someone & then cup other hand to pretend to drink)
