

Oh I'm A Little Chick

Oh I'm a little chick in an egg, in an egg,
I'm gonna be a big chicken, one day.
Oh I'm a little chick in an egg, in an egg,
I'm gonna be a big chicken, one day.

One wing out, shake it about,
The other wing free, feels good to me.
Pop that head out, have a peep,
Do a little wiggle with a cheap, cheap, cheap.

Oh I'm a little chick in an egg, in an egg,
I'm gonna be a big chicken, one day.
Oh I'm a little chick in an egg, in an egg,
I'm gonna be a big chicken, one day.

One leg out, shake it about,
The other leg free, feels good to me.
Pop that head out, have a peep,
Do a little wiggle with a cheap, cheap, cheap.

Oh I'm a little chick in an egg, in an egg,
I'm gonna be a big chicken, one day.
Oh I'm a little chick in an egg, in an egg,
I'm gonna be a big chicken, one day.

Time to shake, shake off the shell,
Today I'm feeling very well.
Pop that head out, have a peep,
Do a little wiggle with a cheap, cheap, cheap.

Oh I'm a little chick in an egg, in an egg,
I'm gonna be a big chicken, one day.
Oh I'm a little chick in an egg, in an egg,
I'm gonna be a big chicken, one day.
