

Seasons

- Winter is the coldest season in England.
- Often we get cold, icy weather in Winter.
- Every snowflake has six sides.
- Trees stop growing in Winter.
- Plants stop growing in Winter.
- Nights are longer in Winter.
- Some animals hibernate through the Winter months.
- Winter comes after Autumn and before the Spring.
- A blizzard is a big snowstorm.

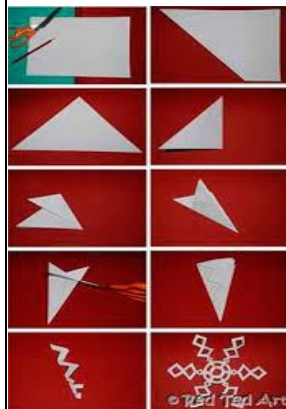

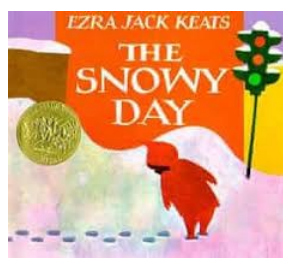

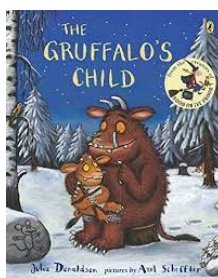

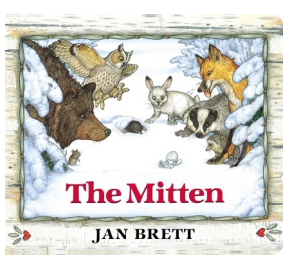

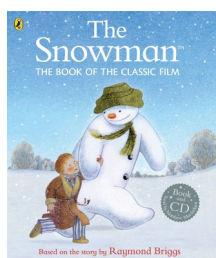

Fun things to do in the SNOW:

1. Go Sledding!
2. Catch snowflakes on your tongue.
3. Go for a cold winter walk.
4. Snuggle up and have a hot chocolate.
5. Make a snow angel.
6. Build a snow fort.
7. Build a snowman!
8. Ice skating!

Books we will be reading:

How to Dress for the Cold

- Avoid cotton clothing. Wear thin, loose layers like wool, silk, or fleece.
- Wear several layers.
- Wear a hat, mittens, scarf, insulated boots and a coat, parka or jacket.
