

FSI learning Journey- Spring 1

It is art week in school and everyone has been given a colour. We were given red. Our focus story this week has been Little Red Riding Hood.

We created handprint love hearts!

We collaged ladybirds as part of Art Week.

In phonics, we played a game where we had to say if the picture started with a given sound or not. Please try to practise this at home. E.g. does sun start with a 'ssssss'?

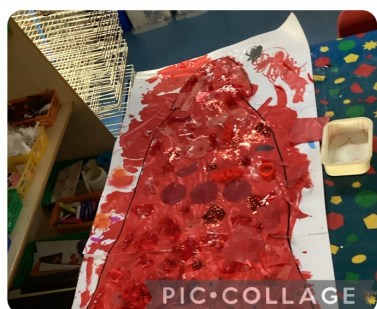

FS1 learning Journey- Spring 1 Week 5

We looked at and played repeating patterns in music.

"Oh Grandmother- what big teeth you have!"

We worked together to paint Red Riding Hood's cape and then collaged on top of it- using our scissor skills to cut pieces to size.
