

FS1 learning Journey- Spring 1 Week 2

We have been learning about the polar regions this week. We learnt that penguins live in the South Pole and polar bears live in the North Pole. They would never see each other... apart from in this story!

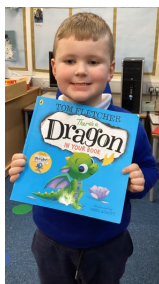

In maths, we have been counting amounts to 3 and recognising the numeral 3. We can say what we need to do if we have more than 3 (take some away) or less than 3 (get more).

Star of the week

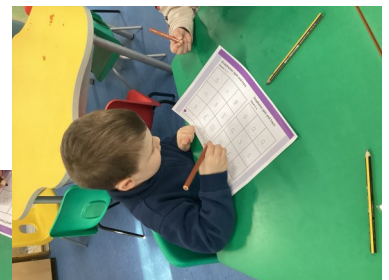

Book Buster

Our sound of the week this week is a. "Adie the agile ant"

FSI learning Journey- Spring 1 Week 2

We now have all of our new starters in nursery. A big welcome to Bobby, Poppy, Jude, Michael, Lola-Mae & Freddie S.

We rescued penguins from blocks of ice! We found that heat made the ice melt and easier to break.

We have been painting and making our own paper plate walrus using our fine motor skills.

Stay and Play
Monday 20th Jan @ 11am
This will now be Chinese New Year crafts and sharing stories.
