

Class Whale's Learning Journey

Spring 1 Week 3

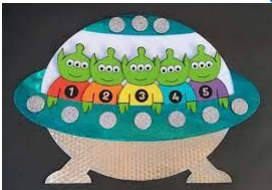

This week we are learning about Hot Regions on our planet. We are learning about the equator, jungles and jungle animals.

In phonics we are learning: ure, er, ow.

We are reading these words: mixture, herd, snow.

Our HRSW this week are: Review all words

ure,
er, ow

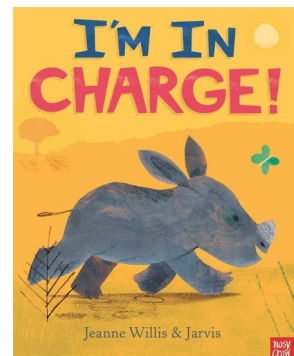

In maths we have learned how to select, rotate and manipulate 2D shapes. We reviewed pairs of numbers that make 5 and we met 6.

This week we made star shapes, tuck shapes and tall shapes on a low bench in PE.

Class Whale's

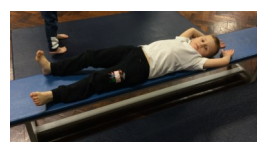

Learning Journey

We love to make things in the creative area.

We are great at painting and using stamps.

We know about the jungle. It is a hot place with lots of poisonous dart frogs.

We can paint Blue Morpho Butterflies. They live near the equator.
