

FSI learning Journey- Spring 2 Week 1

We have been focussing our learning on Mr Wolf's Pancakes this week. We are getting better at joining in when re-telling the story.

In maths this week, we have been consolidating our learning on subitising (saying how many without counting), counting accurately & number recognition.

Star of the week

Book Buster

We counted out pennies to pay for ingredients to buy pancakes. We talked about using the word 'pence'.

Top of the rainbow

Mylah, Jaxon, George, JohnPaul, Jude, Felicity, Phoenix, Anna-belle, Michael, Maisie, Gracie, Ramaiya, Bobby, Freddie B

Our focus sound of the week is 'm'- Miguel the mighty meerkat.

FS1 learning Journey- Spring 2 Week 1

We learnt the 'hook' in squiggle.
We are really good at it!
"Down, up and over."

We made our very own pancakes
like Mr Wolf! They were delicious!

We have been talking about
looking after our teeth. We
counted that children have
20 teeth and adults have
32! We know that we need
to brush our teeth twice a
day (morning and bedtime)
and that our adults should
be helping us to brush
properly. We don't want to
not have any teeth when
we are older!

Stay and play is on Monday 3rd
March @ 11am. We will be
sharing stories with our grown-
ups, showing you how we do
phonics and showing you how we
read 'Mr Wolf's Pancakes'.
