

FSI learning Journey- Spring 2 Week 4

We have continued our work on people who help us this week. We had a visit from a mechanic and have enjoyed pretending to be vets.

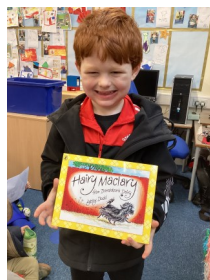

In maths, we have been focussing on weight. We have been using balance scales and can use the words 'lighter/lightest' and 'heavier/heaviest' to compare the weight of two items.

FSI learning Journey- Spring 2 Week 4

We have been talking about the importance of washing our hands after we have been to the toilet. We used glittery paint to show how germs can easily spread between us and onto our toys.

We have been enjoying the sunny weather and some of our new outdoor equipment!
