

FS1 learning Journey- Spring 2 Week 6

This week we have been learning about Easter. We learnt that Easter is a Christian celebration about Jesus as well as a celebration where we find and eat chocolate eggs! Look at our fantastic Easter cards!

In maths, we have been recapping height/length, mass and capacity. We got into height order by deciding if we were taller or shorter than the person next to us.

We went on an Easter egg hunt!

We made rice crispy buns!

We made delicious rice crispy buns by melting chocolate using hot water. They were so yummy!

We built this together!
