

FSI learning Journey- Summer 1 Week 1

We have been learning about what animals live on a farm this week. We have been singing Old McDonald using Makaton signs and the grown-ups keep getting it wrong. Old McDonald doesn't have an elephant!

We have been learning the S sound in phonics. Can you find things around your house that start with a S? Can you write S?

We looked at and named musical instruments.

Star of the week

Book Buster

In maths, we counted up to 5 counters from a larger group of counters. We identified the number using currant buns.

Top of the rainbow

FSI learning Journey- Summer 1 Week 1

We thought about what goats eat and planted grass seeds.

We've welcomed 2 new children to nursery this week- Jack and Felicity.

We painted farm animals. Mrs McNulty talked us through what shapes to paint.

Orla told us all about her holiday to Disney. The children have asked us to tell you that some of them want to go on scary rides and some want to meet princesses.

In circle time, we talked about things that we are good at e.g. swimming, dancing, swinging, riding a bike, tidying-up,
