

FSI learning Journey- Summer 1 Week 6

We have been learning about where our food comes from this week. We sorted food into food from animals and not from animals. We have learnt where fruit and vegetable grow and have loved watching 'how it's made' videos!

We thought about repeating ABAB patterns. We chanted out the colours on the curly caterpillars and then made our own patterns using coloured counters.

Star of the week

Book Buster

We have been learning the **n** sound in phonics. Can you find things around your house that start with a **n**? Can you write **n**?

FSI learning Journey- Summer 1 Week 6

We performed Old MacDonald Had a Farm to each other in music this week. We had to listen carefully when others were performing.

It's a bird!

Our caterpillars are now chrysalises.

We've been exploring different vegetables.

We practised our cutting and collage skills to make a Jack and the Beanstalk picture.
