

FS1 learning Journey- Summer 1 Week 5

We have been looking at different countries around the world and their flags.

In Maths, we have been looking at 3D shapes—cube, cuboid and sphere. We understand how shapes stack.

Have a lovely half term break! See you soon!

Our focus sound of the week is 'b'.

FSI learning Journey- Summer 1 Week 5

We tried lots of different foods from around the world including India, Germany and Spain. They were so tasty!

We now have caterpillars in nursery. They are thriving and will soon be ready for the next stage of the life cycle—chrysalis.

In Maths, we have been looking at 3D shapes—cube, cuboid and sphere.

We understand how shapes stack.

We are pleased to announce that Mrs Farrell has had a baby girl, born on 18th May. Mum and baby are doing extremely well and we are all so happy for her and her family.
