

FSI learning Journey- Summer 2 Week 4

It is Sports Day week! We learnt about medals. We cut out and designed our own medals. We also enjoyed watching Y1-6 do their sports activities and had a go ourselves.

We have been looking at 2D shapes this week (circle, triangle & rectangle). We have been talking about the properties of shapes and saying why a shape is/is not a triangle/rectangle/circle.

Star of the week

Book Buster

We have been learning the c sound in phonics. Can you find things around your house that start with a c? Can you write c?

We had a fantastic
time showing our
grown-ups how
amazing we are at
racing!

We are loving our
new ice-cream shop!
