

FS1 Learning Journey- Spring 2 Week 4

We have been learning about the signs of Spring this week—we looked for them outside.

It was Red Nose Day this week and we dressed as something funny!

Star of the week

Book Buster

Top of the rainbow

Archie, Grace, Bethany, Freddie, Chenuli, Amelia, Lola, Teddy, Elba, Mia, Jude

We thought about how animals are similar and different from each other.

We also asked the question—how are animals similar and different? We matched halves of animal faces together.

FSI learning Journey- Spring 2 Week 4

This week has been Science Week—Curiosity—what is the question? We have been asking different questions throughout the week.

We asked how to make bubbles—using washing up liquid and water. We then created pictures using the bubbles!

We wanted to know which materials were waterproof to help Bob the Builder stay drive! We found out that tin foil and bubble wrap are waterproof. Cotton wool and paper are not waterproof.

In phonics, we have been looking at the /o/ sound.
