# FSI Knowledge Organiser- Easter

Easter is a Christian festival.

It is a festival to celebrate the death and coming to life again of Jesus Christ.

Christians believe that Jesus was nailed to a cross and died then put in a tomb on Good Friday. They believe that he then rose from the dead on Easter Sunday.

Christians believe that **Easter** is a new beginning.

The cross on a hot cross bun symbolises the cross that Jesus was nailed to.

Eggs symbolise **new life**.
