

FSI learning Journey- Summer 1 Week 2

We have been learning where animals live on a farm e.g., field, barn, pond, chicken coop, pig sty, kennel, hutch.

We have been focussing on using positional language during our maths sessions: on, under, in, out, in front & behind.

Star of the week

Book Buster

Our sound of the week is 'e'.

FSI learning Journey-

We looked at farm animals and matched them with their babies this week. We know the name of different baby animals now—calf, lamb, duckling, piglet, chick.

We have been practising our ball skills this week- throwing, catching, bouncing & kicking.

We are working hard on developing our finger strength for writing.

We have enjoyed using the mud kitchen and gravel pit in outdoor provision.
