

Dear Parents/Carers,

Swimming lessons for your child will begin on Friday 12th September, at the Metrodome Leisure Centre, Barnsley.

On that day, please send your child with swimwear, a towel and comb/brush in a carrier bag, which is big enough to fit the clothes they are changing from, or something similar. Once changed the children have to carry their things to the side of the pool, leave them neatly arranged and collect at the end of the lesson to get dressed, so please ensure clothing is identifiable.

There will be 15 x 1 hour sessions throughout the year they will commence on Friday 12th September and will be every Friday until 30th January 2025. There will be no swimming in December.

Please do not let them bring or wear any jewellery, the wearing of earrings by pupils is not permitted. Girls with long hair need to be able to tie it back with something suitable. Boys need swimming trunks (above the knee) not shorts and girls need costumes not bikinis.

All children must attend swimming lessons, as they are a compulsory part of the P.E. curriculum.

Thank you
V D'Silva
Headteacher
