

FSI learning Journey- Summer 1 Week 5

We have been continuing our work on growing plants this week. We looked at the results from our cress experiment and learnt that the fridge is not the best place to grow plants!

Our maths focus this week has been 3D shapes. We have looked at cubes, cuboids & spheres.

Our focus sound of the week is 'h'.

Star of the week

Book Buster

In Circle Time, we looked at safe and unsafe things to eat. We know to ask a grown up if we are unsure.

FSI Learning Journey- Summer 5 Week 5

We looked at the life cycle of a plant and cut using our fine motor skills to sequence it in the correct order.

We looked at the different parts of a plant.

We cut out castles for our beanstalks.
