

FSI Learning Journey- Summer 2 Week 2

We have been learning about hot climates this week. We read 'Handa's Surprise' and discussed how Handa's visit to her friend looked a lot different to when we visit our friends.

In maths, we have been using a number line to 5 and thinking about "what comes after?"

FSI Learning Journey- Summer 2 Week 2

We sorted different pictures based on whether we thought they were in the UK or in Kenya. We talked about why they thought this answer.

We have been learning all about Africa, in particular Kenya, and we made some African necklaces using paint sticks. We created ABAB patterns to decorate them.

We have been practising for Sports Day. The dressing up race is funny!
