

FSI Learning Journey - Summer 1 Week 5

This week we had our stay and play. We had a lovely time showing how well we have settled into nursery.

We had so much fun recording our autumn poem for National Poetry Day! We all the stars of the week because we did so well.

Star of the Week

Book Buster

Top of the Rainbow

Finley, Ezra, Reggie,
George, Erin, Olive

We are becoming increasingly confident in our nursery routines and are starting to predict what may come next.

FSI Learning Journey - Summer 1 Week 1

We have been drawing pictures of the people who are in our family. They are all displayed in our home corner for us to see.

We have been having lots of fun matching buttons, socks and towers. Mrs Finch jumbled all her socks up and the children helped to put them into pairs.

We had a lovely time outside balancing on and manoeuvring the bikes and scooters.
